Dear Professor Tarcov,

My name is Andreu Ballús, and I am the Editorial Secretary for *Enrahonar. Quaderns de Filosofia*, a philosophy journal published by the Autonomous University of Barcelona. I contact you on behalf of the Editorial Board of the journal in order to request permission to publish a translation of a piece of text by Leo Strauss recently published by the University of Chicago Press.

The text in question is *The Secret Teaching of Maimonides*, a typescript found by Yiftach Ofech at the Leo Strauss Archive from the University of Chicago and reproduced as an appendix in STRAUSS, Leo. *On Maimonides: The Complete Writings*, Chicago & London: The University of Chicago Press, 2013, p. 615-618. One of our collaborators has included a catalan translation of this three page text as an appendix to his paper on Strauss' reading of Maimonides. I have already contacted Mr. Cartwright to ask for the UC Press for permission to publish the translation, and he has wisely advised me to ask for your permission as Strauss' literary executor too, before publishing anything. Could you please give us your permission (or in any other case, let us know us if there is anything more we can do to solve the issue)?

Thank you in advance for your attention,

Sincerely,

Andreu Ballús
