### Publication

Annual

The *Catalonian Journal of Ethnology* is a periodic, open-access publication that disseminates the initiatives, achievements, theories and experiences of researchers and study groups in the field of ethnology and anthropology. The first issue of the journal appeared in July 1992 and it has been published without interruption ever since. The journal's second period of publication, in which this issue is included, began in June 2010.

The journal offers open, free and immediate access to all its articles through RACO (<https://www.raco.cat/index.php/RevistaEtnologia>). The use of the content is subject to a Creative Commons Attribution-NonCommercial-NoDerivatives (by-nc-nd) licence. Reproduction, distribution and public communication are allowed as long as they are not intended for profit and the content of the journal remains unmodified. To see a copy of the licence, visit <https://creativecommons.org/licenses/by-nc-nd/4.0/deed.en>. The journal uses Open Journal Systems 2.3.7.0, an open source software for managing and publishing journals.

Nineteen articles were received for publication in this issue of the journal in the Ethnological Research and Miscellanea sections, seventeen of which were accepted after passing a double-blind review by two expert reviewers, meaning that two articles were discarded during the review process.

The views expressed in the papers published herein are those of their authors. They do not necessarily reflect the views of the journal or the Ministry of Culture.
