Introducció

Aquest assaig bibliogràfic ofereix a les pàgines que segueixen un recull d'articles de caire antropològic publicats durant els anys 1990, 1991 i —quan això ha estat possible— 1992 a bona part de les més importants revistes d'antropologia de fora de l'Estat espanyol.¹

La màxima pretensió d'aquest article és la d'esdevenir un útil pràctic de treball per a tots aquells estudiosos i persones interessades en les temàtiques i punts de vista de l'antropologia socio-cultural.

Malgrat la inevitable manca d'exhaustivitat que els condicionaments de temps i d'espai han agreujat, hem intentat oferir un recull, el més complet possible, dels articles en diferents llengües publicats en gairebé 30 revistes² procedents de més de 10 països d'Europa, Amèrica i Àsia.

L'assaig es presenta dividit en dues parts: una primera, que ofereix una ordenació alfabètica per autors, i una segona que situa temàticament els diferents articles publicats durant aquests anys.

S'inclouen algunes revistes que, sense ser publicacions periòdiques de caràcter antropològic o etnològic, han publicat articles referits a aquestes disciplines. De la mateixa manera, i malgrat no situar-se estrictament dintre dels paràmetres de l'antropologia socio-cultural, hem decidit d'incloure també de-

terminades obres de prehistòria, arqueologia, antropologia biològica o etologia, que sovint han aparegut publicades a algunes de les revistes d'antropologia buidades (especialment a les nord-americanes), i que corres-

1. Per a una panoràmica semblant d'aquesta mena de publicacions dins l'Estat espanyol, veure CALVO, L.; MARTÍ, J.; VALL, D., «Revistes d'Etnologia de l'Estat espanyol (anys 1989-1990-1991). Buidatge analític i temàtic», a *Revista d'Etnologia de Catalunya*, núm. 1. pp. 137-152.
2. Malgrat que les revistes ressenyades poden trobar-se a diverses biblioteques i institucions de Catalunya, oferim la relació de llocs en els quals les hem consultades:
 - Facultat de Biologia: CA.
 - Facultat de Geografia i Història: AA.
 - Institut Català d'Antropologia: AT.
 - MAQ, RCCCS.
 - Institut Català d'Estudis Mediterranis: EF, JMS, LH.
 - Consell Superior d'Investigacions Científiques: la resta de revistes.

ponen a una particular visió d'orientació interdisciplinària dins determinades tradicions antropològiques que ens ha semblat interessant de reflectir.

Esperem que la tasca feta arribi a convertir-se en una eina útil per tal d'observar les darreres aportacions aparegudes internacionalment dintre del camp de la disciplina antropològica.
